A warm-up area, consisting of one regulation agility jump, shall be provided for all exhibitors. Exhibitors may not use the warm-up area to relieve their dogs. Obstacles shall meet the specifications for obstacles as listed in the current edition of the Regulations for Agility Trials

Simplified Jump Height Card Process

DOGS ELIGIBLE TO ENTER

These trials are open to all dogs 15 months of age or over that are registered with the AKC, or are registerable breeds that have obtained an AKC ILP or PAL number, or dogs listed with the AKC Canine Partners program. Bitches in season, aggressive, blind or deaf dogs or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance including dogs that are blind or deaf are not eligible to enter.

PRIZES AND AWARDS

A qualifying score is required for all ribbons. Dark green qualifying ribbons will be awarded to all dogs receiving a qualifying score. Green Rosettes will be awarded to Double Qualifiers in Ex B only. A Golden Paw Pin (valued at \$1.00) will be awarded to Novice A handlers earning their 1st agility Leg. MOVE-UPS

Dogs may be moved up to a higher class at the request of the owner as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary not later than 6PM, Monday, March 5, 2012

Move ups for Sunday, March 11, 2012, must be submitted no later than ¼ hour following the posting of results from the class moving up from on Saturday. Forms will be available at the trial site.

Please Note: Dogs having attained their first AKC Agility Title (Std or JWW) must be moved to the Nov B class (Std or JWW) for all trials for which entries have not closed. If entries have already closed on the date the dog obtained its title, the dog shall remain in the class in which it was originally entered or be moved up in level (i.e. Novice to Open) at the request of the owner; subject to the move-up criteria, except as stated in Chapter 1, Sections 21 regarding Novice A entries. (as stated below)

Section 21 - A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or the handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to a Novice "B" class.

Need another copy of the Premium or more Entry Forms?

You can find them at <http://www.scramblers.org>

WAIT LIST

Saguaro Scramblers is offering a Wait List to fill openings created by withdrawn entries after the trials closing date. A Maximum of 20 entries will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to Noon February 22, 2012. Any entries withdrawn that are received by Noon February 28, 2012 will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial by Noon February 28, 2012 will receive a full refund

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

How do I know if I have a valid jump height card?

If your dog is under the age of two years as of the trial's date: One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow copy, other wise your dog needs to be measured. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

If your dog is the age of two years or older as of the trial's date: A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you posses a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record.

Exception to the 2 permanent measurement requirement: If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Request Perm" box at the bottom of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not giving up your right to have the challenge measurement process performed in the future.

What if my dog measures into a different jump height then what he is entered?

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

May I challenge my dog's jump height card measurement?

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

What is the jump height card challenge process?

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class. When the 2nd or 3rd measurement is completed in the challenge measurement process, the new measurement is effective immediately.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.

Class Information

Regular Titling Classes – Standard and Jumpers With Weaves

Novice Agility & Novice Jumpers With Weaves Classes. The Novice Agility Class and the Novice Jumpers with Weaves Class are divided into Divisions A and B. Division A is for dogs that have never acquired any AKC Agility title. Additionally, a dog entered in Novice A must be handled by a person that has never put an AKC Agility title on any dog, and the handler must be the Owner, Co-owner, or a member of the Owner's household. Handlers that co-own a dog and have never put an AKC Agility title on a dog may enter the Novice A Class regardless of the other co-owner's AKC Agility accomplishments. Dogs eligible for Novice A may be entered in the Novice B Class at the discretion of the Owner. Division B is for dogs that have acquired the Novice Agility (NA) title or the Novice Jumpers With Weaves (NAJ) title, or for persons who have handled a dog to any AKC Agility title, and for dogs being handled by someone other than the Owner, Co-owner, or household member subject to the restrictions listed above. A dog may continue to be shown in the Novice B Class until they have acquired a qualifying score towards their Open title. Whenever the Novice Class is offered, both Divisions A and B must be offered.

These classes are separate titling programs and in both cases the dogs must start at the Novice level.

A dog may continue to be shown in the Novice Preferred Class until they have acquired a qualifying score towards their Open Preferred title.
