Dear Saguaro Scramblers Agility Club,

We hope this message finds you well! We're excited to introduce you to The Canine Co-Lab, PAWS Veterinary Center's brand-new facility in Tucson designed to elevate canine wellness, longevity, and support the dog community here in Tucson. Alongside our well-established veterinary physical rehabilitation services, we now offer a wide range of new space and services for healthy pets, including:

- **Recreation services:** Ideal for dogs looking for exercise, enrichment, or weight management
- **The Arena:** A versatile community space for dog training classes, agility sessions, get-togethers, and a variety of canine-centered events

We would love to invite you for a tour of the space and explore how we can collaborate. Whether you're interested in hosting dog training sessions, organizing group activities, or planning community events, The Arena provides a flexible, clean, climate-controlled, well-equipped venue tailored to the needs of trainers, pet owners, and canine enthusiasts.

Please feel free to reach out to schedule a visit or learn more about how The Canine Co-Lab can support your events and classes. We'd be delighted to discuss how we can work together to enrich the lives of dogs and their families in our community.
