General Instructions

Arthur Pack Park Annex. From Thornydale and Hardy Rd., drive west on Hardy. The field is on the north side of the road, but you cannot see it due to vegetation. As you drive down Hardy, look for a gate on the north side of the road that allows pedestrians to enter. Parking is next to the gate. You will have to haul your gear across a short section of dirt and then a paved path that leads to the field. Many people use wagons to haul gear.

Parking: Parking is on Hardy Road. On the north side of the road, you will see a section of the shoulder of the road that has asphalt. You can park there or on the other side of the road (parallel parking).

You cannot park in the Tortolita Middle School Parking Lot. At the end of Hardy Rd there is a gate for vehicles to enter. You cannot enter at this gate. Only people hauling equipment can use this access.

Be prepared to haul any personal/dog stuff the length of a baseball field!
